Re: 2017 Money Transmitter Renewal Application
Evidence of Licensure

Dear Janice Taylor:

We are in receipt of your 2017 Kansas money transmitter renewal application. All necessary criteria have been met. Please consider this letter as evidence of licensure for your company to engage in the money transmitter business in the state of Kansas for the period of January 1, 2017 through December 31, 2017. You may use our online lookup search engine to view the status of your license at any time throughout the year at: <http://www.osbckansas.org/lookup.html>.

The Kansas Office of the State Bank Commissioner may send you periodic email notifications throughout the year to keep you apprised of statutory changes, NMLS updates, renewal reminders, etc. Please ensure that you have provided us with a current point of contact at all times so that these email notifications are received in a timely manner. Also be reminded that per K.S.A. 9-509(b), "Each license shall expire December 31 of each year. A license shall be renewed by filing with the commissioner a complete application and nonrefundable fee at least 30 days prior to expiration of the license." For future renewals, please be aware that your application must be submitted through the NMLS no later than December 1, which helps ensure that all applications can be processed in a timely manner.

We appreciate your continued affiliation with the Kansas Office of the State Bank Commissioner. If you have any questions about your renewal, please contact Money Transmitter Director, Robin Lobb at Robin.Lobb@osbckansas.org or by phone at 785-296-1555.

Sincerely,

Judi Stork
Acting Bank Commissioner
