We are entitled to inter-alia verify Your identity or the identity of the Users. We reserve the right to refuse to accept an Order until We are satisfied as to the matters on which We have sought clarification and verification. You undertake that You will observe all applicable laws and regulations, including Anti-Money Laundering, Countering the Financing of Terrorism and Exchange Control laws and regulations, in relation to any request by Us and will use all reasonable endeavours to assist Us to do likewise. In particular, You warrant that the information given by You is accurate and that the Lodgement will not constitute a breach of any Anti-Money Laundering and Exchange Control Laws and regulations.

5. Placing an Order

- 5.1. To conclude a Payment Transaction in a Supported Currency Pair, You must first place an Order by:

 - 5.1.1.2. pay funds to a Beneficiary in Your local currency; and
 - 5.1.2. providing Us with:
 - 5.1.2.1. Your nominated Funding Account, including names, numbers and particulars of the account holders;
 - 5.1.2.2. the amount to be transferred and the currency in which the Payment Transaction is to be effected;

 - 5.1.2.6. such other information or documentation that We may require, including but not limited to specific requirements in some jurisdictions (such as those required for currency control reasons).
- 5.2. The means by which You may place an Order are by providing the information set out at Clause 5.1, adhering to the Security Guidelines (Schedule 3), and contacting Us:
 - 5.2.1. over the telephone by a User (calls are typically recorded – for more information on this see Clause 10.1.2);
 - 5.2.2. by email; or
 - 5.2.3. by logging into Your Account.
- 5.3. You are solely responsible for ensuring that all details You provide at Clause 5.1 are correct. We will do everything We reasonably can to rectify any errors, inaccuracies or omissions in Your Order once You make Us so aware, but this may lead to a delay or failure in processing Your Order. We will not be liable for any loss, damage, cost or expense suffered by You or any party as a result of any such errors, inaccuracies or omissions in Your placement of an Order.
- 5.4. Where Dual Authorisation is in place on Your Account, the Order is only placed when the final authorisation is confirmed on Your behalf. This means that We will not negotiate with You until the final authorisation is confirmed and the Order is placed.
- 5.5. We may act on an Order from, or purporting to be from, You or the Users, until We have received prior written notice to the contrary and a reasonable opportunity to act on such notice. Any reference to the means by which We may receive an Order from You or Users includes, but shall not be limited to those means set out at 5.2.

6. Concluding a Payment Transaction

- 6.1. Your Order constitutes an invitation from You for Us to negotiate a Payment Transaction with You. Our response to Your Order (by the means set out at Clause 6.2) represents a legal offer from Us for You to enter a Payment Transaction subject to certain conditions set out in the offer. This offer must be accepted by You, following which the Contract is formed subject to these Terms and Conditions. Confirmation of the Contract shall be emailed to You (the “**Booking Confirmation**”) by Us after the Contract has been formed.
- 6.2. This Contract can be concluded by following the means of placing an Order set out at Clause 5.2, though We reserve Our right to engage with You by whatever means We deem most appropriate in concluding the Contract. In each instance, Your acceptance, by whatever means, serves as Your acceptance of these Terms and Conditions as governing the offer

made by Transfermate to enter the Contract for a Payment Transaction. Please note that where Dual Authorisation has been set up by You , then acceptance shall mean the acceptance by a second User.

- 6.3. Non-negotiation of Orders:
- 6.3.1. We reserve the right to request further documents and information before entering negotiations with You in respect of an Order;
 - 6.3.2. Payment Transactions are subject to a minimum and maximum transaction value determined by Us, and We may decline to negotiate an Order which falls outside of these value points, notwithstanding that prior Orders of equivalent value were not declined; and
 - 6.3.3. We may notify You of Our refusal to negotiate an Order without giving any reason. We will have no liability to You as a result of doing so.
- 6.4. Cancellation of Payment Transactions:
- 6.4.1. In the event of Your having formed a Contract with Us in error, You are advised to contact Us immediately on receipt of the Booking Confirmation requesting the Contract to be cancelled. Any loss arising on such cancellation will be charged to You and payable by You, and there may be additional cancellation fees attaching to Your request as set out in the Standard Fee Schedule or otherwise negotiated.
- 6.5. Non-execution or Delays in Payment Transactions:
- 6.5.1. Notwithstanding the formation of a Contract, We hereby reserve a contractual right to delay or not to complete the execution of the Payment Transaction in instances where:
 - 6.5.1.1. abnormal and unforeseeable circumstances beyond Our control prohibit or limit Us executing the Payment Transaction;
 - 6.5.1.2. legal obligations covered by applicable laws and regulations make the execution of the Payment Transaction a potentially illegal or non-compliant action;
 - 6.5.1.3. [Our Anti-Money Laundering Policy](#) requires so, or where any requirement under [our Anti-Money Laundering Policy](#) cannot be met to Our satisfaction;
 - 6.5.1.4. due to the automation of the Transaction Service, errors in quoted rates may have occurred leading to the provision to You of erroneous rates at the time of placing the Order; or
 - 6.5.1.5. errors, inaccuracies or omissions in Your Order may mean that a Payment Transaction cannot be completed (meaning Our making the Final Transfer) as scheduled.
 - 6.5.2. We shall endeavour to inform You as soon as possible in the event of non-execution of the Payment Transaction as set out in Clause 6.5.1 and in any event no later than the next Business Day, together with the reason for the failure unless We are prevented (in our sole discretion) from disclosing same to You. We shall endeavour to complete the Payment Transaction if the impediment preventing execution can be removed, or where applicable, when the errors, inaccuracies or omissions are corrected.
 - 6.5.3. Where the provisions of Clause 6.5.1 lead to the non-completion of or a delay in execution of a Payment Transaction, any commitments provided by Us as to the timing of making the Final Transfer may be adversely impacted, and therefore We accept no liability for the non-completion of, or a delay to completing, a Payment Transaction. Where We need to cancel the Payment Transaction and return the Lodgement to You, We shall charge You the cancellation fees as provided for in Clause 6.4.1.
- 6.6. Effecting the Lodgement:
- 6.6.1. Under these Terms and Conditions which govern the Contract, You are legally obliged to complete the Lodgement of the agreed amount with the Booking Reference and with all of the information We require from You including as detailed in Clause 5.1.2, within 2 Business Days of the date on which the Contract is entered (the “**Settlement Date**”). Accordingly, this Contract is only suitable if You are able to deliver, on or before the Settlement Date, the Lodgement in the currency/funds You have agreed to buy from Us, together with all of the necessary information required on that Payment Transaction. We may extend the Settlement Date up to the start of the fifth Business Day after the date on which the Contract is entered, in order to allow You more time to meet these requirements, but this extension shall be provided entirely at our discretion. You should place no reliance on this potential extension, and understand that You risk a breach of Contract if You fail to make the Lodgement in full and by the end of the second Business Day.
 - 6.6.2. Delivery of the Lodgement shall be by use of one of the two methods set out at Clause 7.1 and 7.2 (or 7.3 where You have a Global Account with Us). Under no circumstances shall We accept a Lodgement by any other means, even if We have previously permitted such alternative means of making a Lodgement.
 - 6.6.3. A failure by You to make the Lodgement in full and by the Settlement Date is a breach of the Contract, in which event We will close out the Contact at its then prevailing market rates and any loss or costs incurred by Us as a result

of Your contractual breach shall be recoverable in full from You on demand by Us, including additional cancellation fees attaching to Your request as set out in the Standard Fee Schedule or otherwise negotiated. Late or incomplete settlement shall incur default interest on the total amount due, at a compound rate of 5% per annum, calculated daily and payable to Us on the date payment is made.

6.7. Processing the Final Transfer:

- 6.7.1. The time at which We receive the Lodgement in cleared funds in the Nominated Account determines the time at which We can process the Payment Transaction. Same Day Processing is possible in respect of certain currency transfers and dependent on applicable time zones, however We undertake that We shall process the Payment Transaction and make the Final Transfer no later than the next Business Day following the receipt of the Lodgement in cleared funds.
- 6.7.2. The amount credited by way of Final Transfer to the Beneficiary will be net of fees, charges, commissions and any interest due.

6.8. A confirmation of the Final Transfer (the “**Payment Confirmation**”) will be issued to Your nominated email address. If You do not receive a Payment Confirmation within 24 hours of the date on which the Lodgement is made or within 4 Business Days from the date of the Contract was entered, You are obliged to contact Us. The Payment Confirmation will detail (where applicable):

- 6.8.1. the Booking Reference, which enables You to identify the Payment Transaction, which shall also be provided to the Beneficiary unless You expressly request Us not to make such disclosure. By hereby permitting such disclosure, You agree to hold Us harmless for any damage or loss suffered by You resulting from enquiries from the Beneficiary or any holder of the Booking Reference. We represent and warrant that We will exercise ordinary care in releasing this information.
- 6.8.2. the date on which the Payment Transaction was effected;
- 6.8.3. the value date of the Payment Transaction;
- 6.8.4. a breakdown of the fees and charges payable by You;
- 6.8.5. the exchange rate used and the amount of the Final Transfer after the currency conversion; and
- 6.8.6. additional and further information as may be requested by You subject to an additional charge.

6.9. Upon You becoming aware of any Unauthorised Transaction or otherwise incorrectly executed Payment Transaction, You must notify Us without delay. Where We establish that the Payment Transaction was erroneously effected by Us, We shall refund to You, the amount of the erroneous Payment Transaction plus any charges thereon.

6.10. You irrevocably agree that We may retain any Lodgements transmitted to Us pursuant to these Terms and Conditions if We learn that there is a suspicion that You may have breached any laws or regulations, or if We are required to do so by any legal or regulatory authorities. Such retained Lodgements shall not bear interest against Us.

7. Funding the Transfermate Nominated Account

7.1. By Wire Transfer or Electronic Funds Transfer:

- 7.1.1. The default mechanism by which You are expected to make the Lodgement is by payment of a wire transfer or electronic funds transfer in the currency agreed.
- 7.1.2. We will provide You with the requisite details of the Transfermate Nominated Account at the time at which the Contract is agreed, and it is Your obligation to ensure You use the correct Transfermate Nominated Account.

7.2. By Direct Debit (‘DD’) or Automated Clearing House (‘ACH’) payments:

- 7.2.1. This option is not available to You if You are a Sole Trader or personal customer.
- 7.2.2. In certain regions (as may be notified to You at the time of placing the Order) it is an option for You to make the Lodgement by way of DD/ACH payment, however We are under no obligation to provide You with this option and require that You make at least one transfer by the means set out at Clause 7.1.
- 7.2.3. It is imperative that You ensure that all details supplied by You on the direct debit mandate agreements or ACH equivalent (the “**Mandate**”) are correct and valid, and that only authorised signatories on the Your Funding Account have signed this Mandate, and confirm You shall indemnify Us for any losses incurred by Us as a result of errors made by You on the mandate.
- 7.2.4. You are obliged to ensure that (1) there are sufficient funds in Your Funding Account to meet the direct debit payment and (2) sufficient funds remain in Your Funding Account until the direct debit has cleared and settled in to the TransferMate Nominated Account. If a Lodgement by way of DD/ACH does not reach Transfermate Nominated Account due to insufficient funds or for any other reason, You must then complete the Lodgement by way of wire transfer to Us so that the Lodgement is not delayed. Transfermate shall never facilitate a shortfall

from You, nor do We offer any credit facility where You are delayed in completing a Lodgement.

- 7.2.5. Where a Lodgement by Mandate gives You chargeback rights (which allows You to reverse a Lodgement), it is a condition of Us permitting You to use this method of Lodgement that You shall only exercise this chargeback right if We have breached this Agreement or there was an Unauthorised Transaction. You confirm that You will not exercise Your chargeback right for reasons which We are not responsible, including a dispute with the Beneficiary or if there are insufficient funds in Your Funding Account. If We need to investigate or take any actions in connection with a chargeback raised by You, We reserve Our rights to charge You for Our costs in doing so where We conclude that You have not adhered to this clause, and shall bring this clause to the attention of the arbiter of the chargeback dispute.
- 7.2.6. We reserve the right to revoke the option of making Lodgements by DD/ACH payments where any DD/ACH payment made by You is reversed from the Transfermate Nominated Account.
- 7.2.7. We reserve the right to limit the amount of funds to be taken by Mandate.
- 7.2.8. If a DD Mandate is inactive for a period of 9 months or more, We reserve the right to deactivate the option to pay by DD/ACH without prior notice to You or to request You to update the Mandate.
- 7.2.9. In order to cancel a Mandate, You must contact Your bank to cancel. Transfermate cannot do this on Your behalf.
- 7.3. Global Accounts Lodgement
 - 7.3.1. In the event that You have opened a Global Account with Us, it is possible for You to fund the Nominated Account by moving money from Your Global Account into the Nominated Account. This may be done by You selecting to “push” the money into the Nominated Account or You may select a preference to permit Us to automatically pull the money from Your Nominated Account into the Global Account.
- 7.4. Other than by availing of the means set out at Clauses 7.1 and 7.2 (or Clause 7.3 where applicable), no other means is available for funding the Transfermate Nominated Account. Specifically We do not accept cash, cheques or any equivalent. Any attempts by You to make the Lodgement by any such prohibited means shall be invalid under the Contract, causing a delay and potentially a breach of the Contract.
- 7.5. Unless otherwise agreed with You, We do not have nor do We request, any access to the Funding Account and shall not unilaterally debit funds from Your Funding Account. You must initiate the Lodgement to the Transfermate Nominated Account.
- 7.6. We reserve the right to reject funding from sources that We may reasonably believe or suspect may breach the laws and regulations of any jurisdiction, or that would meet the standards in [Our Anti-Money Laundering Policy](#).
- 7.7. You agree and acknowledge that We may refuse to accept or return any payment of money from a third party or from any account of a third party, and that Transfermate does not accept liability or responsibility for any loss, cost or expense incurred or suffered by You in connection with such non-acceptance or return, including because You are subsequently in default of your obligations to Us.
- 7.8. In the event that We have completed the Final Transfer before receiving cleared and settled funds from You, including for example where a DD/ACH payment is reversed, a DD request is cancelled or a payment is disputed, You will be liable to pay Us the amount of the Final Transfer plus interest at the rate of 5% per annum.
- 7.9. Transfermate is not responsible for any fees or charges that may be imposed by the financial institutions associated with the payment facilities You nominate.

8. FX Calculations

- 8.1. Except as specified in clause 8.2 below, when We refer to an exchange rate in these Terms and Conditions, it means the mid-market exchange rate at the relevant time for the relevant currency pair (for example, GBP to AUD, USD to EUR) as provided by our reference rate provider. We may change our reference rate provider from time to time without notice to You.
- 8.2. For some currencies, We cannot use the mid-market exchange rate as We are required to use a different reference rate for the exchange rate for Your currency pair. For these currencies We will notify You of the reference rate used for the exchange rate when You place the Order.
- 8.3. The foreign exchange rate changes every 3 seconds and the rate agreed between Us in the Contract shall be the applicable rate to the Contract.

9. Fees, Charges and Interest

- 9.1. The current charges, interest and other fees, applicable to the Transaction Service are set out the Standard Fee Schedule.

- 10.1.1. All communications between You (and where the context so permits, Your User) and Us shall be by email or telephone. In addition You have the option of communicating with Us through the Website via live chat, however no Orders may be placed by using live chat.
- 10.1.2. Telephone calls (which for this purpose includes calls on fixed landlines, Skype calls or mobile lines) with You are typically recorded to protect both Your and Our own interests in the event of a dispute and You consent to such recordings being made. For technical reasons it is not always possible for Us to record all telephone calls. The telephone recordings will, where available and once a transcript is furnished to You following prior request, be accepted as evidence of the instructions or communications recorded, and may be used as evidence in any dispute, action, proceedings involving the use by You of the Transaction Service. The absence of a telephone call recording shall not be deemed as detrimental in any such dispute, and in such circumstances, We are entitled to rely on an undisputed Booking Confirmation.

10.2. User Set Up and Monitoring:

- 10.2.1. Before getting access to the Transaction Service, You shall notify Us of the Users that You require to be set up on the Transaction Service, unless You are a Sole Trader or personal customer, in which case it is understood that the only User of the Transaction Service shall be You, unless You place a request to the contrary.
- 10.2.2. All Users must be approved and registered by Us before using the Transaction Service. Access to the Transaction Service shall be restricted to approved Users and We reserve the right at any time to refuse the appointment or continuation of a User without reason.
- 10.2.3. You are required to notify Us immediately if there are any changes to the list of Users.
- 10.2.4. You shall ensure each User is trustworthy, has the legal authority to access the Transaction System, and will adhere to the Security Guidelines (Schedule 5). The selection of a User is at Your own risk and We are under no obligation to conduct checks on Your Users or oversee a User's activity on the Account.
- 10.2.5. By accepting these Terms and Conditions You are confirming that each User You appoint shall have all necessary authority to use the Account and the Transaction Service.
- 10.2.6. Until You have provided notice to Us to the contrary, We may continue to assume that all Users have authority to use the Account and the Transaction Service and execute legal binding transactions with Us.
- 10.2.7. It is a matter for You to consider whether Dual Authorisation would be an appropriate option for You to manage Your security risks. If this is of interest You should contact Us for further information.
- 10.2.8. You hereby indemnify and agree to hold Us harmless in respect of any loss incurred by a User entering into a Contract or other transaction contemplated under this Agreement.
- 10.2.9. You will take reasonable steps to ensure that each User complies in full with this Agreement

10.3. Access and Passwords:

- 10.3.1. Upon opening an Account or adding a User, You / the User shall be required to select a username and a password. The password must comply with the Security Guidelines.
- 10.3.2. Upon logging into the Account by providing the username and the corresponding password, access will be granted to You and We will not be required to take any further steps to verify that the person accessing the Account is Your User.
- 10.3.3. Each User's registration is for that User only. Users are prohibited from sharing their username and password with any other person, and to do so shall be treated as a material breach of these Terms and Conditions by You.

We use electronic fund transfers as a default payment method, however, where You make a Lodgement to Us via a method of payment other than electronic funds transfer and We incur a charge from the bank, We reserve the right to pass this fee on to You.

- Subject to the fees detailed herein, We will always endeavour to send the full payment amount for each Payment Transaction unless there are costs beyond Our control which We shall pass onto You. Where these are foreseeable, We shall notify You of these costs and the impact on the Payment Transaction before concluding the Contract.
- We are not responsible for any direct or indirect fees that the receiving bank or an intermediary may charge their client to receive Your payment, which will vary depending on the locations involved in the Payment Transaction.
- We do not charge or provide interest to either corporate or non-corporate clients.

 - 3.1.6. such other information as may be required from You to enable Us process the Receivable Transaction.

- 3.2. Your uploading of the information at Clause 3.1 constitutes a request from You to Us to negotiate a Receivables Transaction with You in respect of the Invoice(s). The response to Your request may provide applicable exchange rates for each currency entered and shall confirm (to the best of Our knowledge but subject always to Clause 5) Our ability to process the Receivables Transactions. 4. Engagement with the Payer

- 4.1. These options shall be available to You to select on the Portal, however the options may not be possible on every Collection Email.
- 4.4. As part of issuing the Collection Email, We will set out the means by which the Payer can comply with the Receivables Transaction, and any documentation required from the Payer in order to allow the Payer participate in the Receivables Transaction. We reserve the right to send reminders to the Payer when funds have not been received, but ultimate responsibility for ensuring the Payer completes the Receivables Transaction rests with You.
- 4.5. If the Payer notifies Us that they do not wish to engage in the Receivables Transaction, You shall be updated within 2 Business Days of Our being made aware, and You may be asked to make good any loss caused to Us as a result (as set out in Clause 6).

5. Limitations on the Receipt of Funds

- 5.1. The Portal is intended to contain a list of the countries into which We are able to send Invoices on Your behalf and also available the currencies. While We make reasonable efforts to manage this listing, We do not warrant that this listing is current or accurate.
- 5.2. In some circumstances, We may not be able to collect from a country or in a currency notwithstanding what has been set out on the Portal, or We may be prohibited from dealing with a particular Payer as set out in Clause 3.3.5. We hereby reserve Our right to bring this limitation or restriction to Your attention after the Receivables Contract has been entered without incurring any liability on Our part, and as such Our ability to fulfil the Receivables Contract is conditional on Us being able to receive funds from a proposed Payer or from a Payer’s country or denominated in a specific currency from the time the Receivables Contract is entered until the funds from the Payer have been received by Us.
- 5.3. In some countries there are regulatory or export restrictions on the frequency and value of funds that can be remitted from that country at one time in a single transaction. Transfermate continually monitors these restrictions and makes reasonable efforts to notify You prior to entering the Receivables Transaction where the limit may impact on our ability to perform the Contract. However where We are prevented by such restriction from performing the Contract, We shall have no liability to You for any loss or damage You may incur as a result. We shall notify You of the restriction and offer You the option to cancel the Receivables

Transaction or amend the amount being sought. It is always Your obligation to be aware of the applicable laws and restrictions attaching to the remittance of funds from the Payer and the Payer's country of residence.

6. Your Legal Liability as a result of entering a Receivables Contract

- 6.1. If You, as part of entering the Receivables Contract, require Us to book an FX rate (for example to enable the Payer pay Us in the Payer's local currency), then We shall be required to acquire currency in the event that the Payer commits to discharging the Invoice. This creates a legal obligation on You to ensure that the Payer makes the Lodgement to conclude the Receivables Transaction, and in the event that there is a failure by the Payer to make the Lodgement in full and by the Settlement Date, this shall be a breach of Your obligations under the Receivables Contract. In such event, We will close out the Order at its then prevailing market rates and any FX loss, costs or other damages incurred by Us (collectively a "Loss") as a result shall be recoverable in full from You on demand by Us.
- 6.2. In certain scenarios, as will be notified to You prior to entering the Contract, We acquire the currency immediately following the entry of the Contract, and in that event, even where the Payer does not make a commitment to Us to discharge the Invoice on the Portal, We may incur a Loss. This Loss shall be recoverable in full from You on demand by Us.
- 6.3. The default means for Payer making a Lodgement are set out on the Portal and may be fixed by You prior to entering the Contract. Where the Payer is limited to making the Lodgement by wire only, then subject to Clauses 6.1, 6.2 and 6.4 herein, You assume no additional liability. However in the event that You determine that the Payer may make the Lodgement by way of Direct Debit / ACH or by credit / debit card, then there is a risk that the Payer may recall the funds from Us after we have made the Final Transfer to You, causing a Loss to Us. In such an event You agree to transfer the amount of the Final Transfer on demand from Us.
- 6.4. You confirm that You have obtained whatever Payer consent is required in accordance with the applicable Data Protection and Privacy laws to permit Us to contact the Payers, and in the event that We incur a Loss as a result of Your failure to comply with these applicable Data Protection and Privacy laws, that You shall indemnify Us in full for that Loss.
- 6.5. Late or incomplete settlement of any of the Losses set out herein, shall incur default interest on the total amount due, at a compound rate of 5% per annum above the prime lending rate for the time being in force, calculated daily and payable to Us on the date payment is made.

7. Mass Uploads:

- 7.1. In addition to uploading single Payment Transactions as set out in Clause 2.1, You have the option to upload a batch of transactions (this capability is known as a "**Mass Upload**").
- 7.2. On request from You, We shall provide You with a template setting out the information required by Us to process a Mass Upload.
- 7.3. You are required to follow this template and produce a statement listing the transaction requests for Mass Upload together with attaching invoice(s) in the following format; PDF, DOCX, XLS, subject to file size limitation as detailed on the Portal. Our requirements and supported formats may be modified by Us from time to time, and We reserve the right to notify You of any modified requirements during the Mass Upload process.
- 7.4. We shall validate that the uploaded file contains the necessary information for Mass Uploads, engage with You where there are errors on the uploaded file, and confirm details of the successful Mass Upload when applicable.
- 7.5. The payment request can be authorised and the Payer contacted once You authorise same by way of tick box confirmation.

8. Receiving the Funds from the Payer

- 8.1. On Our receipt of funds from Payer We shall provide You with email confirmation within 1 Business Day that a specific Invoice Reference has been discharged pursuant to a Receivables Transaction.
- 8.2. Unless You provide Us with any instruction to the contrary with regard to these funds, they will be retained by Us in the Virtual Account, in the currency set on that Virtual Account. The decision to use a Virtual Account instead of nominating Your Receivables Account is a matter for You and We cannot advise You on the wisest course of action for Your needs. There are risks associated with the use of a Virtual Account and You are advised to seek independent legal and financial advice should You wish to retain funds in a Virtual Account, in particular if You do not have a specific purpose in mind for the onward use of those funds.
- 8.3. Following a specific request from You We shall transfer the funds into Your Receivables Account. You may make this request while the funds are in the Virtual Account or prior to the Payer making the Lodgement. We shall make this transfer within 1 to 2 Business Days of receiving the cleared and settled funds from the Payer. The transfer into Your Receivables Account shall specify the name

of the Payer and the Invoice Reference to enable You identify the Payment Transaction.
